The remainder of this letter is intended to provide you background on the EIU Delta Chi organization and additional details of the **scholarships we are offering to incoming freshman and undergraduates.**

**What Is Delta Chi?** Delta Chi is an international fraternity, originally founded as a professional law fraternity in 1890 at Cornell University that still holds as its cardinal principle respect for and observance of the law. Delta Chi offers a unique opportunity for men of diverse interests and backgrounds, what we call the “Brotherhood of a Lifetime.” The Corner Stone of our founding values are promoting **friendship**, developing **character**, the advancement of **justice**, and the acquisition of a sound **education**.

**What Is Delta Chi at EIU?** At EIU, Delta Chi has initiated over 1,000 students dating back to 1967. Our alumni are actively involved with EIU Delta Chi ([www.eiudx.com](http://www.eiudx.com)). Our alumni span virtually every professional industry and also provide a unique advantage for undergraduate students—career assistance and advice for their future.

In addition to mentoring and career support, Delta Chi alumni also provide a variety of financial support to undergraduate students at EIU. For example, there is an endowment set up that awards two \$1,000 scholarships each year that are favored towards EIU Delta Chi students within the Lumpkin School of Business. Also, the EIU Alumni Board of Trustees offers two \$350 scholarships each year to EIU Delta Chi students that meet certain leadership and academic guidelines. In addition, many EIU Delta Chi alumni have set up other scholarship endowments through the University. EIU Delta Chi alumni provide **thousands of dollars in financial support** directly to students.

### **What Scholarships Can I Apply For?**

**EIU Delta Chi is proud to offer AT LEAST FIVE \$250 scholarships!**

We will award these scholarships to incoming freshman males at Eastern Illinois University attending in the Fall of 2009. The winners will be men who can demonstrate a commitment to academic achievement, leadership, and a desire to make both the university and the community better places to live and grow. The criteria used to determine the recipients of these scholarships will be those which mirror the core tenants of our organization: **academic performance, leadership potential, and community involvement.**
